OLD BUSINESS:

Annual Conference did not rule on the split of the Michigan District. This leaves the new district organizational plan and future plans to be decided by the churches involved. Discussion questions included how the seven churches involved will proceed. A question was brought up about sending a delegate to the Michigan District conference. Discussion was held on whether this church has funded the Michigan District this year. It has not.

NEW BUSINESS:

It was noted that the church cleaning has been somewhat lacking. Discussion was held on whether more needs to be done either by volunteers or paid help.

Discussion was brought up about making sure that more than one or two people know how to perform duties at church. When someone goes on an extended leave it seems there are duties that no one knows how to perform. Encouragement was given to educate and help those who could fill in.
