Video equipment is being purchased at a cost of approximately \$2000.

The new electronic sign is being considered. Local companies are being consulted for prices.

NEW BUSINESS:
Discussion about joys and concerns expressed in church was held. At the Ministry Planning Committee meeting suggestions were made to have prayer requests written on cards instead of spoken aloud. The written requests could be given to a "prayer team" to be held in prayer throughout the week. This could possibly be done by email, text, conference call or other means. Many options were considered such as passing a plate for the cards and having the requests prayed for by the pastor immediately during the worship service. Deacons will continue the discussion at their next meeting.

Discussion was held on reaching out to people who are not attending church right now especially because of Covid. Another mailing may be done soon; possibly a newsletter format. Deacons will also discuss this at their next meeting.

Covenant Brethren Church annual meeting will be held in Virginia on October 23 & 24. The meeting will be live-streamed.
